# Nyemak Aksara, Wanda, lan Tembung

**Budi lagi sinau ana ing kamar.**

Budi is studying in his room.

**Budi pancen kelebu bocah sing sregep.**

Budi is indeed a diligent child.

**Ing sajeroning kamare Budi ana meja, kursi, lampu, cangkir, amben, kasur, bantal.**

Inside Budi's room, there is a table, a chair, a lamp, a cup, a bedframe, a mattress, and a pillow.

Recognizing Letters, Sentences, and Words

# Swara ing Sakiwa Tengen

**Teet teet teet .....**

**Dina: “Ren, ayo mlebu kelas. Bel wis muni.”**

**Reni: “Ayo, Din.”**

**Dina: “Jebul swara kuwi bisa dadi tenger ya, Ren, kaya swara bel kuwi.”**

Ren, let's go into the class. The bell has rung

Let's go, Din

Turns out sounds like that can be a signal, right, Ren? Like the sound of the bell

**Reni: “Iya, Din. Saliyane bel, akeh swara-swara liyane kang sumbere maneka warna. Ora mung barang, kewan uga dhuwени swara dhewe-dhewe.”**

Yes, Din. Besides the bell, there are many other sounds that come from various sources.

Not only objects, animals also have their own unique sounds

# Swara

Sound

Cat

**Swara Kucing**

Bicycle

**Swara Bel Sepedha**

Drum

**Swara Bedhug**

Waves

**Meyong Meyong**

## MANUK EMPRIT

Sparrow

**Manuk emprit swarane cuit cuit cuit. Keprungu sajake gayeng banget.**

The sound of a sparrow goes cuit cuit cuit. It sounds very lively.

## JAGO

Rooster

**Pitik jago kluruk swarane kukuruyuk. Lumrahe keprungu nalika wayah esuk.**

The rooster crows with the sound cock-a-doodle-doo. It is usually heard in the morning.
